THE PENTHOUSE

LIFESTYLE

A considered blend of contemporary flair and relaxed comfort, Ivy On the Park has the best of both worlds.

Sparkling engineered floorboards create a welcome sense of space in the living areas, which open out onto park-inspired courtyards and balconies. The smart touches flow into the kitchen, where white and grey cabinets are front and centre and woodgrain timber sits overhead to create a classically understated look, while 20mm white stone benchtops, a mirrored splashback and Bosch appliances are a tempting trio. The bathrooms capture the same quality feel with porcelain tiles, and carpet has been carefully chosen for the bedrooms.

LIFESTYLE

‘Stunning’ doesn’t do justice Ivy On the Park’s selection of two exclusive penthouses.

These two-bedroom, two-bathroom havens unleash a level of luxury that has to be experienced to be believed. The indulgence starts with a huge entertainer’s balcony and continues into the living area, where a built-in TV cabinet and bioethanol gas fireplace take pride of place, while engineered floorboards immediately set the scene. The kitchen is awash with stylish features, including black-on-black kitchen cabinetry, a 60mm waterfall benchtop, Bosch stainless steel appliances and a built-in wine rack. Black, high gloss cabinets form the centrepiece in the bathrooms, which also feature exquisite porcelain tiling, while the bedrooms are lushly carpeted.
